

Val d'Isère Meeting Points & Details

Val d'Isère

Background

Val d'Isère is the most popular destination for British skiers and snowboarders bar none. The reasons for this are self-evident. The vast area of the Espace Killy links Val d'Isère with Tignes, combining to present skiers and boarders with an endless array of pistes and off-piste runs. The resort is at high altitude and the snow record is great. Not many European resorts open in November and close down in May.

Meeting Point Details

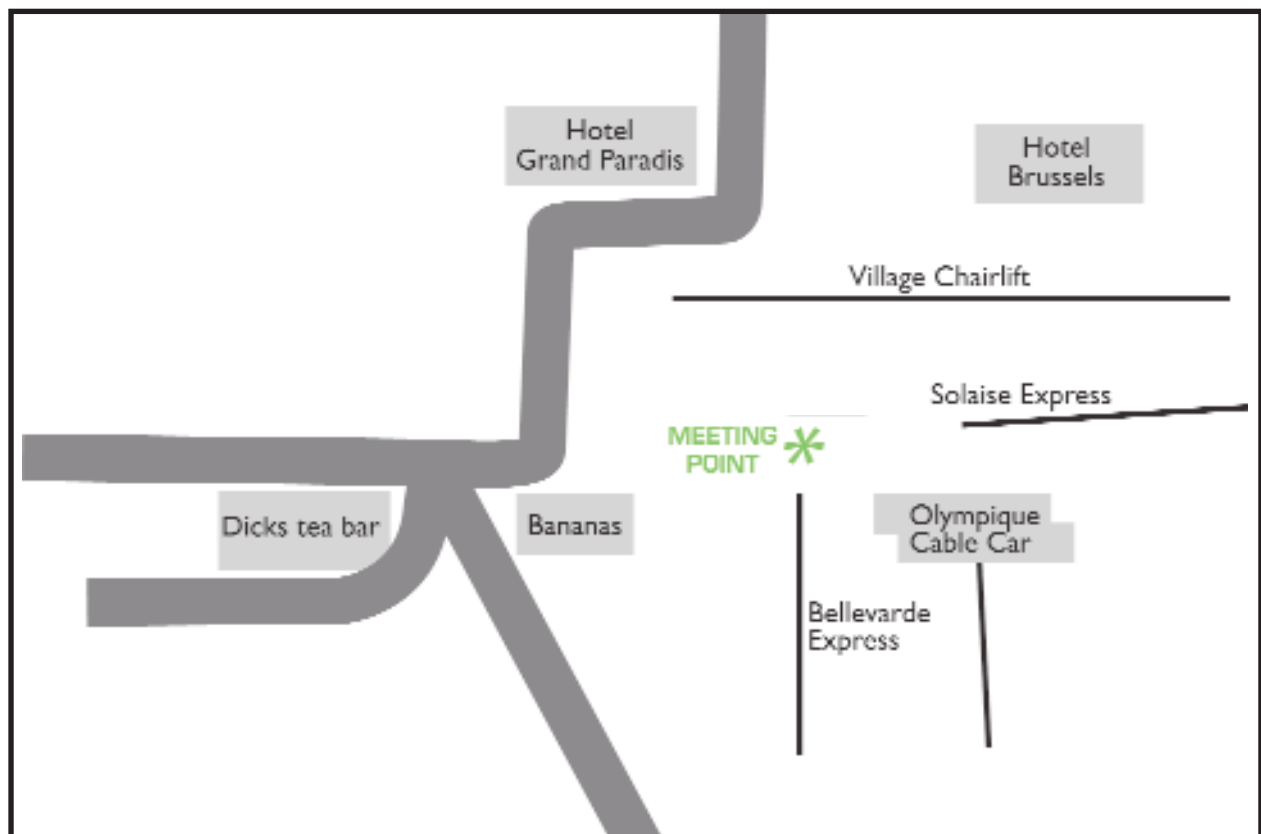

The meeting point is situated next to the large piste map, opposite the Bellevarde Express lift. The New Generation ski and snowboard instructors are easily identifiable in their bright green jackets and pants.

Don't Forget...
